Outcomes

What are the main outputs you have achieved in this Summer School (learning, collaboration, etc.)? *Research exchange, collaboration, learning, inspiration for future research, new project, learning, friends....*

2. Please, provide feedback and evaluation of Craft Professional Sessions (Funds and Fundraising, Research Management and How to Publish Sessions).

Very positive feedback and some useful suggestions

3. Please, provide feedback and evaluation on KN Sessions.

Very interesting, relevant, useful; Excellent, high level

4. Please, provide feedback and evaluation on Work Group Sessions (small groups and plenary group sessions).

In general people enjoyed working together and found it positive. Some suggestions for improvement the organization of the groups.

5. Please, provide feedback and evaluation on Poster Session.

Very interesting., Very professional, Great. Too long (60-90 minutes would be enough)

6. Please, provide feedback and evaluation on Ford Company visit.

Very good, Very interesting. Good opportunity to have a practical approach

7. Please, provide feedback and evaluation on logistics and facilities at the CIG (International Center of Gandia).

*Fine, except wi-fi. Ok, and terrific garden! - Very good.
/Good/So good/Great*

8. Please, provide feedback and evaluation on Hotel facilities (Quality/Price).

Good, but food not so good (at dinnertime). Ok. Quality acceptable, price was very low

9. Please, provide feedback and evaluation on organization structure.

Well done, thanks!. Excellent, but future programs/schools could include 2 breaks/rest periods. The school was very intensive. A very intensive program
